# Riedel Glasses

Celebrating their 250th anniversary this year, the Riedel Wine Glass Company continues its proud tradition of finely crafted glassware. Simple, innovative, stylish and elegant, Riedel wine glasses are the first to be crafted specifically to accent the potables they contain. Imported from Kufstein, Austria, these beautiful pieces are both artistic and functional. They are the perfect addition to your private collection or a thoughtful, exquisite gift to give for any occasion.
